Passengers are usually asked some routine questions at customs, such as “您在中国逗留多久? (Nín zài Zhōngguó dōuliú duō jiǔ? How long will you stay?)” or “您来中国的目的是什么? (Nín lái Zhōngguó de mùdì shì shénme? What's your purpose for coming?)”, etc. These questions have nothing to do with private business, and all you need is to answer them truthfully.
