Daniel: Let's learn Chinese with fun. It's delightful and easy to remember. I am Happy Daniel.

Han Jia: And I am Happy Han Jia.

Daniel: Happy Han Jia, now we'd like to have a test for you.

Han Jia: A test for me? On what?

Daniel: A test on your English level.

Han Jia: Isn't ours a Chinese learning program? Why a test of English instead?

Daniel: Not exactly. Ours is a bilingual program. You should be good at both Chinese and English. Listen. What does China mean?

Han Jia: China is the name of my country.

Daniel: What else?

Han Jia: What else? Um, you know for sure that we are going to visit the Chinese capital of porcelain—Jingdezhen. That's why you asked me about this word.

Daniel: Yes. Tell me what you know about it.

Han Jia: China also means chinaware. Foreigners often use the word to represent China. Professor Daniel, am I right?

Daniel: Absolutely! Today, Happy China is in the capital of Chinese china, Jingdezhen.

Han Jia: Well, since we are here, we might as well take a good stroll around Jingdezhen.

Daniel: That's a good idea.

【 场景 Scene 】 陶瓷文化墙

- 
- 大牛：这道墙真漂亮！
- 韩佳：这墙上的图案都是用瓷片拼成的。
- 大牛：用瓷片拼成的？像一幅镶嵌画！真是闻所未闻！
- 韩佳：“闻所未闻”，就是指听到以前从来没有听到过的事情，形容事物，音讯新奇惊人。
- 大牛：没错，“闻所未闻”就是指听到以前从来没有听到过的事情。……
- 韩佳：这道陶瓷文化墙，北面表现的是水土宜陶，而南面的主题则是千年窑火。
- 大牛：什么叫“水土宜陶”？
- 韩佳：就是说景德镇的水、土特别适合于制作陶瓷。
- 大牛：哦，我知道了，果然不愧是瓷都，我得好好游览游览^⑤！
- 韩佳：其实除了这些，景德镇的市区里面还有很多其他的特别之处^⑥，就要看你找不找得到啦。
- 大牛：嘿，小瞧我，哪有我大牛找不到的东西！

【 场景 Scene 】 大街上（瓷灯柱）

- 大牛：韩佳，你说的特别之处，已经被我找到了。
- 韩佳：找到什么了？
- 大牛：你看，灯柱啊，把陶瓷做成灯柱，太有想象力了！
